

Clothes of Excellence; Positively;

One Trial is Sufficient Proof:

The best clothes made—sounds better when spoken by a customer than by us. However, we leave it to them and they do say it. Would they say this if they didn't believe it?

People have gained sufficient proof by one or by dozens of trials to satisfy them that Northcott clothes never disappoint.

Northcott's determination (since the days of the 80's, when he began) to give only good quality and makeup is still remembered by every man who has given Northcott Clothes a trial. The styles were never snappier and better all 'round than this season.

A collection great enough to catch even out of the ordinary tastes. Start at \$15 and go on up to \$35. At every price above \$15 you'll have good variety.

All the New Shades and Blue Serges

ARE YOU SURE

That the ice cream you buy is strictly PURE? Do you know that the makers' hands were clean, free from the factory, and freezers and other utensils kept in Sanitary Condition? Why take any chance where your health is concerned? Why not MAKE AND FREEZE YOUR OWN ICE CREAM in 10 MINUTES FOR 1c A PLATE with

Jell-O ICE CREAM Powder

It is so easy. Simply stir contents of one 12c package into a quart of milk and freeze, without cooking, beating or the addition of anything else.
